## HERE WE GO AGAIN!

The April meeting of the Puget Sound Photographic Collectors Society will be held Wednesday, the 29th at 7:30 at the Auburn Community Center. The location of the community center is 9th SE and H Street in the park at Auburn. To get there take the Auburn exit off I-5, go past C Street exit, turn left on Auburn Way exit, go around curve past Winchells. Turn left on 9th SE then right on H Street. Proceed one long block on H and turn right into the building. Good Luck! Remember to bring your goodies for swappin' and tradin' after the meeting.

## ANOTHER LAST CHANCE

The May 9-10 Camera Show and Sale at Highline Community College is coming up fast. If you still hope to get a table pay Marlene at the meeting. They are going fast. If you don't need a table we need your help--tickets, working as relief at tables, tearing down show, etc. It's a club activity so we all have to contribute something. See Bob Peters or Gary Sievertsen if you will help.

## ONE MORE FOR THE ROAD

McKeown's 3rd Price Guide is still available for \$7.00. It will be full list price at the Camera Show. Do you have an extra copy to carry in the car for quick reference at flea markets and garage sales? Everybody needs two. See Marlene for your additional copies.

## CLASSIFIED STUFF

For Sale - Portable darkroom. Approximately 6' x 9' set up size. 4' x 8' panels. Electrical and plumbing places. For additional info call Lamar at 752-6705 in Tacoma.

Wanted - Contaflex accessories. Cases, lens caps, filters, adapter ring, etc. See Marlene for complete list of the items needed complete with Zeiss catalog numbers.

## PLANS AND PLAUDITS

The auction at the last meeting was well received. Let your officers know if you want to do that again soon. Also making a hit at the meeting was the cake baked by Darell Womack's wife, Judy. Thankyou! Thankyou!

## GET WELL DEMAND

Ray Kirlin had a heart attack (bet you thought it was easy being publicity chairman!). He is home from the hospital and taking it easy - actually, wife Pauline has him tied to a chair. We hope to see Ray at the Camera Show. Get better soon, Ray!

## A NEW HOME

Merle Carey and his committee, Norm Stough and Bill Kimber, have been checking sites for a permanent meeting place. They are doing a thorough job and should have all the options soon. If you have an idea or suggestions tell Merle.
